

**SANATAN DHARMA COLLEGE
AMBALA CANTT**

**2019-20
ANNUAL
REPORT**

NAAC Accredited Grade 'A+' with CGPA 3.51 in the third cycle. College with Potential for Excellence - UGC, New Delhi

In this report, I intend to share with you our success stories to commemorate the achievement of Sanatan Dharma College fraternity. As the college enters the year of its existence, we must salute the foresight of our founder fathers **Pt. Madan Mohan Malviya Ji** and **Tayagmurti Goswami Ganesh Dutt Ji**, who understood a century ago the role of education in nation building. Deep down, they realized the importance of moving a step at a time, and therefore started so modestly in 1916. That modest beginning has now brought us to this august day. Their intelligence and hard work enabled the institution to retain its position on top. Therefore, we are engaged in a never ending process of self-upgradation in the field of education by introducing innovative concepts. Every year many new job-oriented and skill-based vocational courses are added to the already existing conventional courses. In the year 2010, the college was bestowed with the status 'College with Potential for Excellence'. The NAAC Peer team that visited the college in 2011 awarded us 'A-Grade' with a CGPA of 3.48 and that visited the college in 2017 awarded us 'A+' with a CGPA of 3.51.

**Pt. Madan Mohan
Malviya Ji**

**Tayagmurti Goswami
Ganesh Dutt Ji,**

Let us put our hands together for our students whose achievements we applaud with great pride. The College is proud to acknowledge the hard work and dedication of all the student achievers in the annual report. None of this would have been possible without the able guidance of the faculty in these challenging times of flux. We therefore must applaud the efforts of the faculty who have shown such remarkable adaptability and delivered quality instruction in times of intense syllabi, course and scheme revisions. Under the valuable guidance of its diligent **President Shri Brij Kishore Soni, General Secretary Sh. Ashok Kumar Gurnani** and other esteemed members of the college managing committee, the institution is serving the society selflessly and with a noble cause. Apart from imparting quality education, considerable emphasis is laid on extra-curricular activities so that the students should develop an all-round and holistic personality. It is a matter of great pride that along with academics the college has won laurels in extra-curricular activities as well. Keeping in mind the tradition of selfless service, the institution tries to imbibe moral values along with inculcating a sense of patriotism and self-discipline through activities like NCC and NSS. It is a matter of honour that the college is served by highly qualified and talented faculty members. Currently 115 teaching faculty members and 60 non-teachings are contributing to the cause of education.

BEST PRACTICES

Website & CIMS

Convener : Dr. Girdhar Gopal

The college has its own website that allows a glimpse of the entire working of the institution. It is duly updated and it gives information about the college, managing committee, staff, library, courses taught, syllabi, teaching facilities etc. The website can be accessed at www.sdcollegeambala.org.

College Information Management System

The college has developed CIMS (College Information Management System), which is an ERP based software developed in consultation with the needs of the stakeholders. Through CIMS students can access their examination results, assignment scores, attendance details and other academic information directly on their computers or mobile phone. Faculty members have the facility to upload details of their activities and duties during the session and then retrieve the same in a desired format.

Paramarsh Scheme

Convener : Dr. Sushil Kumar

UGC, New Delhi has approved Sanatan Dharma College, Ambala Cantt as mentor institution under the Paramarsh Scheme of UGC which is meant for mentoring NAAC accreditation aspirant institutions to promote quality assurance in higher education. The aim of the scheme is to extend all sorts of support to mentee institutions waiting for accreditation in different stages starting from preparation of Self Study Report and AQAR. The overall objective of the workshop was to guide the Non-Accredited Higher Education Institutions to enable them to get accredited.

Entrepreneurial and Skill Based Education

- | The future of any developing country depends on the lines on which the youth is moulded. The youth is the vital and vibrant segment of the society. They are the basic investments for the future and will shape the society. Unemployment amongst the educated youth has been one of the burning issues. The new competitive landscape has led to the need of the skill training based curriculum to be introduced for the youth in educational institutes.
- | Haryana State Higher Education Council, Panchkula has taken an initiative for the skill based education under the theme "Livelihood Earning Scheme and Behavioural Education". Sanatan Dharma College, Ambala Cantt has been the member of this scheme since its inception. The council in its first meeting proposed a list of projects to different departments of various colleges.
- | Sanatan Dharma College, Ambala Cantt has been working vigorously on these lines so that the students can be imbibed with entrepreneurial knowledge, skills, attitude and can earn their livelihood right after their graduation.
- | Different departments have taken following initiatives in the skill based training programs to provide significant opportunities to the students to engage them with fresh business ventures.
- | Hands on Training on Vermicompost and Aquaculture by Department of Zoology.
- | Practical Training on Floriculture and grafting techniques by Department of Botany.
- | Workshop cum training on Solar Study Lamp and practical on Adulteration of Food Materials by Chemistry Department.
- | Eye Testing Training and Water Quality Testing & CCTV installation training by Physics Department.
- | Training of online portals (like Swayam, NPTEL, Spoken Tutorials etc.) for their study through MOOCs and skills of programming in Python and other programming languages by Computer Science Department
- | Coaching for logical based questions in competitive exams and specialization in creating Mathematics based puzzles and games by Mathematics Department.

- | Training to file Income Tax Return (ITR), Different schemes of Insurance and Financial Advisor by Commerce Department.
- | Data analysis programme for political parties and training to type different legal documents by Political Science Department.
- | Computational Hindi and Hindi typing training to students by Hindi Department.
- | Communication Skills, Spoken English Workshop and Drafting Skill Enhancement workshop by Department of English.

Samagra Shiksha Abhiyan (Twinning Programme)

- | **Twinning of schools, MILAN "Partnership between Schools/Institutions" programme under "Samagra Shiksha Abhiyan"** is conducted every year. The aim of this program is to link the Govt. Schools of rural areas with higher education institutions to enable interaction amongst the students by sharing of experiences, exposure to various courses and opportunities for continuance of their higher education.
- | **Sanatan Dharma College, Ambala Cantt. has twinned with the schools of District Ambala under this programme in 2019-20.**

- | The best practices of the college like eco friendly practices of **Water Conservation, Solid Waste Management and Energy Conservation** were discussed with the students to make them aware of their environment. The different structures built up for these practices in the college campus like **Vermicomposting Units, Solar Panels and Rain Water Recharging and Harvesting Units** were also demonstrated to them to give them practical knowledge about these practices.
- | Visit to Library and laboratories were conducted.

This interaction and visit will surely offer a powerful alternative to chalk and board method and to instill a sense of awe which will help open young minds to introspection and new experiences. This will help them explore the new dimensions of learning. This interaction will definitely help to create dedicated, committed, disciplined and productive individuals.

Development of Social Progress Index (SPI) of Students

World research by International agencies like UNDP suggests that most of the youth from developing countries lag behind in soft skills, especially inter-personal and communication skills. The reason behind this is that professional as well as HEIs lay maximum emphasis on only technical knowledge and academic input. The result is that pass-outs from even some of the institutes of eminence are not able to get employment and even if they do, they find it difficult to retain. The goal of this practice is to motivate and provide ample opportunities as well as a sound platform to students where they can develop and enhance their personality by participating in a variety of activities which in turn will not only boost their confidence but also prepare them for the daunting challenges presented to them by the society, thereby, improving the Social Progress Index of the nation.

Unnat Bharat Abhiyan (UBA)

Convener : Mr. Tajinder Singh

Unnat Bharat Abhiyan (UBA) is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat

Bharat Abhiyan is to enable HEI to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. Sanatan Dharma College is selected as a Principal Investigator (PI) in 3rd list of UBA project by MHRD, New Delhi and has adopted five villages cluster under MHRD, UBA scheme. The names of these villages are: Khojkipur (101), Kardhan (CT), Rawlan (65), Naggal (102), Munarheri (24). The college has conducted village survey and household survey in all of the adopted villages and the analysis reports of these surveys are: [Khojkipur](#), [Kardhan](#), [Rawlan](#), [Naggal](#), [Munarheri](#). College has conducted various activities under UBA project like awareness programs, Hamlet meetings etc. College had distributed cloth bags to individual households so that the villages can be declared as plastic-free on 2nd October 2019. In the next phase, College is planning the village development plan for village problems and the solutions for the betterment of the villages.

Prize Distribution (April 03, 2019):

Convener: Dr. Alka Sharma

Our college conducts Annual Prize Distribution Function to award the meritorious and outstanding students annually. This encourages and motivates the students to strive continuously towards their all-round personality development. This year Annual Prize Distribution was held on April 03, 2019 in the afternoon. **Lt. Gen MJS Kahlon, AVSM, 2 Corps** graced the occasion as the Chief Guest. In his address he advised the young students of the college to join Armed forces as the army of the country not only needs academically but also technologically sound people. He also implored girls to come and join the Indian army. 512 students of the college were given prizes for their meritorious achievements in the field of education, sports, cultural and other activities. Teaching and non-teaching staff members of the college who completed 25 years of their service in the institution were also felicitated by the college authorities. 3 teaching members of the college were also honoured for the successful completion of their Doctoral Research.

A GLIMPSE OF THE PRIZE DISTRIBUTION FUNCTION

Cultural Activities (2019-2020)

Dean: Dr. Prem Singh

The institution believes in all round personality development of its students. To achieve this end, it provides ample opportunities to students to participate in creative activities while pursuing their academic goals. It is a matter of great pride that each year our talented students have been creating new land marks in the field of literary and cultural activities. This year's exceptional achievements are:

Talent Finding Contest (August 30-31, 2019):

Under the aegis of Youth and Cultural Affairs Department, Kurukshetra University, Kurukshetra, Annual Talent Show is organized to bring out the latent talents of the students. This year, the annual talent show was held from August 30-31, 2019. A total of 92 students from various faculties of the college participated in cultural and literary items, i.e., Poetical Symposium, Playing Instrumental, Painting, Singing, Dancing, Quiz, Mono Acting/Mimicry and speech.

**Inter Zonal Youth Festival (November 07-09, 2019):****Convener: Dr. Paramjeet Kaur**

The 42nd Inter-Zonal Youth Festival of Kurukshetra University, Kurukshetra was organized at Sanatan Dharma College, Ambala Cantt. This youth festival was a grand blend of events on Theater, Dance, Music, Literature and Fine Arts. Total 41 colleges of 5 Zones participated with their 600 participants and demonstrated their talents. Our college also prepared an email address culturalsdc@gmail.com for providing event related information and smooth functioning of events across all the participative colleges. In spite of very heavy rain, all participating zones reported timely at registration venue on November 07, 2019. The registration and document verification started by 9 a.m. by Registration Team. While registrations of 41 colleges, the colleges were provided registration kits, containing food coupons, ID cards, event scheduled, file and allotted separate property room where all the participants, accompanists & team leaders put their props and took rest.

The inaugural ceremony took place in the college auditorium, immediately after arrival of guests. The inaugural ceremony was coordinated by Dr Joginder with the lighting of lamp by Prof. Saubhagya Vardhan, Director, North Zone Cultural Centre, Kalagram. Prof. Saubhagya Vardhan appreciated the students for taking active part in literary and cultural activities as to facilitate all-round development of their personality. The 42nd Inter Zonal Youth Festival was declared open by Hon. Principal of the college, Dr Rajinder Singh. The Valedictory Ceremony took place in the college auditorium, immediately after completion of all events and compilation of all results for all events. Throughout the three days, the students enlightened the events by their active participation.

At valedictory ceremony, Dr. Anup Lathar (Former Director, **Youth and Cultural Affairs, KUK**) was the Chief Guest at the function, and **Mr. Tejinder Sharma**, Director, **Youth and Cultural Affairs, KUK** was the Guest of Honor. The **Prize Distribution Ceremony** was coordinated by Prof Harroop Virk and Prof Neetu Bakshi. The dignitaries present on the dais, congratulated all the winners and boosted the participants to do much better in all forthcoming competitions. Finally the most awaited moment of the evening had arrived with everyone present right there wanting to know the results of who got rewarded for all the hard works of so many days. The winners of various events were declared and felicitated with trophies, shields and medals for standing either at 2nd Runner-up,

National Service Scheme (NSS)

The college is rendering selfless service to the society not only through academics but also by providing a platform to the students to participate in community service. The NSS volunteers are doing a herculean task under the able guidance of Programme Officers Dr Gurvinder Singh, Mr Tajinder Singh and Ms Zeenat Madan. The three NSS units comprising of 300 volunteers have done justice to the motto 'Not Me, But You.' The volunteers try to sensitize the society by performing street plays, skits on current and burning issues of the society and also by organizing various socially relevant programmes like Adult Education and Literacy Campaigns, Anti-corruption Campaigns, Drug De-Addiction and Prevention Camps, Rallies, Community Services, AIDS Awareness and Prevention Camps, Environment Awareness Camps, Blood Donation Camps, Free Medical Check-up and Health Camps in an effort to alleviate the ills of the society. The NSS volunteers are also provided with an opportunity to participate in National Integration, Adventure, Youth Leadership and Training Camps and One Day Camps held in and around the campus. Various other programmes for the all round development of the students are organized from time to time. Highlights of various regular and camping activities:

BLOOD DONATION CAMP

Convener: Prof. Tajinder Singh

A Blood Donation Camp was organized by NSS with collaboration of Lions Club, Ambala. As we all know that during the rainy season there are scanty blood donation camps around but the need of blood remains very high. Amazingly only the staff and students were the donors and we manage to collect 219 units of blood on the day. Many from the teaching and non teaching staff donated blood for record number of time. Since blood donation camp is considered auspicious, the district administration also participated in it by holding a Vehicle Learning License Camp for the students and other citizens of the district. More than 1000 Learning Licenses were issued on this day or the files for the same were submitted.

Entrepreneurship Development Club

In-charge: Dr Mohit Bindlish

Entrepreneurship Development Club of the college provided a golden opportunity to students for converting their business idea into a reality. Business proposal were invited from students of all streams of the college and it was proposed that best team would be provided financial assistance for their Start-up. Two teams each consisting of three and five members each respectively had submitted their business proposals. Both the teams were given a chance to pitch their ideas in front of members of EDC in form of a Power Point Presentation. On 26th August 2019, both the teams made a presentation and suggestions were given to both the teams for improving their proposals.

Under the guidance of EDC two teams of the college had submitted their proposals in Kurukshetra University Technical Innovation Competition (KUTIC) in September, 2019 and both the teams presented their idea in the month of October, 2019. One of the teams consisting of three students Ajay Chauhan (B.Sc. IT II), Vishal Saini (B.Sc. IT II), Rajat Kumar (B.Sc. IT II), who had submitted a proposal on "Home appliance Control using Speech Recognition" got shortlisted at KUTIC. After the presentation, the team got a grant of Project Expenditure up-to Rs. 50,000. The team successfully completed the project and submitted their Project Report on 15.02.2020.

The EDC had also organised A National Level Awareness Programme (NLAP-2020) in collaboration with Khadi and Village Industries Commission (KVIC) on 20.02.2020 to equip the students with various schemes being offered by Khadi and Village Industries Commission. More than one hundred students of different streams had actively

participated in such event. Sh. Yashpal Singh, State Director, KVIC and Dr. Rajinder Singh, Principal, Sanatan Dharma College had motivated the participants for coming up with great ideas and for making effort in converting their business into reality. Further, Dr. Amit Chopra, Senior Consultant showed a couple of videos on NLAP to students to make them understand the scope of growth of MSMEs and the different types of financial support available for entrepreneurs. To provide more food for thought, Sh. Arun Kumar, Assistant Director, KVIC discussed about Prime Minister's Employment Generation Programme (PMEGP). He discussed the eligibility criteria and the documents required for applying for loan under PMEGP. Some focus was also drawn upon the maximum amount of funds granted and the benefits provided to women for setting up a business. The entire event was an eye opener for young and enthusiastic participants of the college.

National Service Scheme

Programme Officers: Mr. Tajinder Singh, Ms. Zeenat Madan, Dr. Gurvinder Singh

Whenever any calamity has struck this planet, it has had caused havoc, created panic among the human beings, plundered the sane sense to stay positive and has shown the uselessness of any type of advancement or development that we brag about as unmatched technology that makes humans superior to all the species. It sends a shiver down our spine when we think about the newest and probably deadliest calamity of COVID – 19. Due to its fast spread in across the borders world leaders did not take much time to declare it a **PANDEMIC**. In absence of any vaccine or medicine to cure it we were left with only one option that was **AWARENESS** and here comes the role of institutions or agencies which could go down the last human beings in the society to make them aware about the ferocity of the disease. This was the real acid test for many organizations and social organizations. Probably no one would have anticipated at the time of formation of NSS in 1969 that NSS will play such a crucial role during pandemic. During this calamity NSS has justified its motto that says **“NOT ME, BUT YOU”**. NSS units of district Ambala were also mobilized to act on the guidelines on the government to give their best and to work selflessly for the society. The task was mountain high huge but under the able and scholarly counsel of **Dr. D. S. Rana, Coordinator, NSS Kurukshetra University, Kurukshetra**, the NSS units of Ambala District and the NSS units of the colleges under Kurukshetra University, Kurukshetra have proven their worth doing round the clock, selfless service to the society.

Note from District Coordinator, NSS, Ms. Zeenat Madan, Ambala

“**Manava Sevaya MadhavaSeva**” **Service to Man is Service to God**, were not merely the words of Mahatma Gandhi, the Father of Nation, but a dream envisaged for a country that could not progress on a judicious path until the students/youth were motivated to work for the betterment of the villages, slums, and community. For Gandhi ji the real India lived in villages as the majority of population was living in villages. At that time our villages were teeming with some social evils like illiteracy, poverty, social distinction and ignorance so for National Reconstruction it was important to work in villages for the systematic eradication of these evils. Education was the only component of human life which could bring about these changes in the Indian society and education has had two important pillars i. e. teachers, students. If we have to make any civilization more tolerant and developed these two pillars need to be mobilized and used in a systematic way to drive through the dark era of social evils to a bright and glorious future.

The motto of NSS “**Not Me But You**” reminds us of the words of Swami Vivekananda “**Not I But Thou**” where he called upon the people of this great country to forget ourselves completely for the sake of others wellbeing without any expectation of any benefit. So the volunteers of NSS work voluntarily for the betterment of society through community service.

Selfless Community Service by the NSS volunteers covers different aspects of community service like adoption of villages for exhaustive development work, carrying out the social surveys, programmes of mass immunization, sanitation drives, sensitization programmes, tree plantation, water conservation, , zero waste surrounding, energy conservation, awareness camps, blood donation, helping inmates of Orphanages and Old Age Homes and the physically handicapped etc. These are just the glimpses for what the volunteers do on regular basis. Apart from these activities the volunteers are always ready to stand firm in any emergency.

In the recent outbreak of pandemic COVID – 19, the NSS volunteers are in the frontline to help the needy. Risking their own lives the volunteers are working in all situations as COVIDVEERS. The volunteers of **Sanatan Dharma College Unit, Ambala Cantt** followed all instructions given by the government from time to time. From distribution of masks, gloves and medicines, distribution of food, clothes, shoes, giving them moral and emotional support, the COVIDVEERS are doing everything to mitigate the fear of this deadly disease.

The **National Service Scheme** is the **Extension Education** dimension of Higher Education System in India. Through this extension education we have to motivate the students to reach out the villages to demark the grey areas and their possible solutions. The youth is the envoy of the change in society provided they are imbued with values such as discipline, dignity of labour, sincerity, dedication for community service.

When a buzz started to sound about the spread of deadly virus COVID-19, the NSS unit of the college without wasting any time chalked out the plan about what is to be done.

- As nothing much was not known about the virus the team NSS thought to make people aware about it and possible preventions. Posters, sent by the government were displayed in the college campus and outside campus. Pamphlets with DOES and DONTs were also distributed in different areas of Ambala Cantt. People were made aware about the preventive measures to be taken as precaution. As the latest news start to come in and reach the people, panic was inevitable, so the team NSS thought to make people aware about PANIC BUYING, and not to be SCARED.
- As a result of PANIC spread around the masks and Hand Sanitizers were almost gone extinct from the market. The rates of both soared; the volunteers started to make masks at their homes and started to distribute

them to the people.

- In the wake of **JANTA CURFEW**, the volunteers made the masses aware about it through various channels like e-posters, slogans, text messages, and social media platforms. People were appealed to follow it strictly so as to make it successful. In the beginning it was self-imposed curfew so that congregation at public places could be stopped and social distancing could be followed. It was observed on **22nd March, 2020**, but people were appealed to follow it even after this date to mitigate the danger of spread of the virus.
- People were encouraged to clap in the evening as an appreciation for the corona warriors like **Doctors, Armed Force Personnel, Sanitary Workers, Health Workers, Police Force Personnel and Social Organizations**.
- An awareness drive was organized to encourage the people to light candles in their homes to mark the beginning of a victory against the deadly virus COVID- 19. Candles were also distributed by the volunteers in their areas.
- As the college has adopted 5 villages namely, **Rollon, Munrehri, Khojkipur, Nagal, Kardhan**, teams along with the teachers were formed to distribute masks in these villages and to spread awareness among the masses. 2000 masks were distributed.
- The NSS unit of the college along with **Zila Yuva Vikas Sangathan**, under the leadership of **Sh. Tarunkaushal** distributed food to the needy and to those who could not get access to government centers for food distribution. It was only because of the awareness about the unit that people started to call directly the NSS Programme Officers to help them. The food which was provided to them was donated by **Programme Officers Tajinder Singh and Zeenat Madan** on their own expenses. Date: June 28, 2020 (Sunday)

Platform used: Cisco Webex

Entrepreneurship Development Cell, Sanatan Dharma College, Ambala Cantt. organised a webinar on “Cultivating Real Life Skills to Achieve Excellence in life” on June 28, 2020. The distinguished speaker for the webinar was Dr. Anil Jain, mentor and advisor, Kurukshetra University Technology Incubation Centre. The webinar commenced with a welcome address and introduction of Chief Guest delivered by Dr. Mohit Bindlish, Convener, Entrepreneurship Development Cell. Dr. Bindlish graciously invited Dr. Anil Jain for sharing his expert thoughts and valuable suggestions with the participants.

Dr. Jain explicitly shared that if a person wants to be excellent, he/she needs to have the following attributes: outstanding, perfect, superb, marvelous, exceptional. But moving towards excellence is a gradual process and requires lot of effort and determination. Every person needs to conduct a SWOT (strengths, weakness, opportunities, threats) analysis and adopt the KNOT strategy.

Dr. Jain passionately described that every person needs to begin with developing and identifying strengths. The first step starts with physical fitness followed by good networking and communication. He also humorously demonstrated that every individual has different capability. All the individuals are not same and they need to accept their weaknesses. Dr. Jain's session was followed by a Question and answer round where Many attendees sent in their questions and key challenges when it comes to making efforts for being effective in work. All the queries were diligently answered followed by numerous compliments for Dr. Jain by the attendees. The last segment of the webinar was 'Vote of Thanks' delivered by Dr. Gulshan Singh, Sanatan Dharma College, Ambala Cantt. The thought provoking webinar ended with gratitude expressed by the organisers and the attendees.

Application of Rasa & Dhvani Theories on Film Music (with ref to Sanskrit Saahitya-Shaastra)

Sponsored by: Haryana Sanskrit Academy, Panchkula

Organised by: Dept of Music, Sanskrit & SDHDR&T Centre

Date: January 18, 2020

Dept of Music, Sanskrit & SDHDR&T Centre of S D College, Ambala Cantt organized Haryana Sanskrit Academy, Panchkula sponsored one day workshop on the topic- Application of Rasa & Dhvani Theories on Film Music (with ref to Sanskrit Saahitya-Shaastra) in which teachers and research scholars of various colleges and universities of Punjab, Chandigarh, Haryana and Delhi participated and learnt about the application of Rasa and Dhvani on Films music. There were two main reasons to organize this workshop – 1.How to sensitize an artist / performer/ singer/ composer/ song writer to evaluate his/ her creation on the basis of Rasa and Dhvani elements and not to become conditioned, 2.How to sensitize the audience to refine their tastes and upgrade their level of appreciation for a creative expression. It is rightly said in Skt Lit that one can find qualified artists in society but it is very difficult to find a Gunagya (evaluator -appreciator of art) in real sense. *Prof. Pankaj Mala Sharma, Dept of Music, PU, Chd, Prof. Ramakant Aniras, Dept of Skt PU, Chd, Pt. Devender Verma, well known musician, Faridabad and Dr. Nagendra Sharma, Regional Director of Haryana Kala Parishad, as resource persons explained the history, idea, concept, theories of Rasa and Dhvani elements to participants and how Rasa and Dhavni influences our mind, behavior of a singer, song writer and music composer. Dr Someshwar Dutt, director, HSA, PKI in his presidential remarks said that Sanskrit concepts, theories need to be applied in all aspects of education. Dr. Someshwar Dutt and Dr. Nagendra Sharma offered full support to any such experiment which is based on Sanskrit Shaastra and Indian knowledge tradition. Convener of the workshop Dr Madhu Sharma, Head, Dept of Music(Vocal) proposed the vote of thanks. She duly acknowledged the help and cooperation of Dr. Vijay Sharma, Dr. Parmajeet Kaur, Prof Saryu, Prof Neetu, Dr. Ravi Sharma. Prof Meenakshi, Sh Hem, Sh Praveen Ji and others.

In the end, I am extremely thankful to the honourable members of the college managing committee for their continuous guidance and support, to the Department of Higher Education (Haryana), Kurukshetra University, Kurukshetra, University Grants Commission and the District Administration for their incessant encouragement. I seize the opportunity to thank the philanthropists, NGOS and other sponsors for instituting scholarships for meritorious and deserving, as well as economically weaker students and also for sponsoring events from time to time. My thanks to the faculty members of the all teaching departments of the college and the non-teaching staff for putting in their best for the progress of the institution. I am indebted to Prof. Neetu Bakshi and her team for the meticulous compilation of this report. My thanks are also due to the students and their parents.

I assure you that this institution will continue to serve the society by spreading the light of knowledge. I firmly believe that the college will continue to receive your love and support.
