Unnat Bharat Abhiyan is ingenious proposition of phased transition in rural development processes by clouting knowledge institutions to help and contribute to build the architecture of an inclusive India. **Unnat Bharat Abhiyan** is an exemplary programme of **Ministry of Human Resource Development** with the intention to enrich rural India. It aims to create a vibrant relationship between the society and the higher educational institutes with the latter providing the knowledge and technology support to improve the livelihoods in rural areas and to upgrade the capabilities of both the public and private organizations in the society. The educational institutes have the advantage of churning ideas and the villages of India have ample space to implement those ideas so that comprehensive change can be brought about.

Under this scheme higher education institutions will participate in development activities, particularly in rural areas. *Sanatan Dharma College, Ambala Cantt is also among few selected institutes by MHRD under Unnat Bharat Abhiyan to work towards the upliftment the rural society.*

Objective of the scheme are:

- *To Engage faculty and students in understanding rural realities.*
- *To Identify and select existing innovative technologies, enable customizations of technologies or devise implementation methods for innovative solutions as required by the people.*
- *To contribute in devising systems for implementation of various government schemes.*
- Under **Unnat Bharat Abhiyan** Sanatan Dharma College, Ambala Cantt has adopted five villages namely **Rollon, Munrehri, Kardhan, Naggal, Khojkipur** under block **Ambala** of district **Ambala**. These five villages are adopted by **NSS, NCC, YRC, Computer Association and Commerce Association**.
- The In-Charges of the villages have in their teams students from different subject association so that students from different disciplines from whole college could be chosen.
- The students were sensitized to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. Under the guidance of the Principal of the college **Dr. Rajinder Singh** the college has constituted a **UBA Cell** having following members.

Sr. No	Name of the Incharge	Department	Village Adopted
1	Tajinder Singh	English	Co-ordinator
2	Dr. Girdhar Gopal	Computer Science	Munrehri
3	Dr. Satbir Singh	Commerce	Nagal
4	Dr. Nirvair Singh	Punjabi	Rollon
5	Dr. Jaideep Chauhan	English	Khojkipur
6	Dr. Chiman Lal	Political Science	Kardhan

- Under **Unnat Bharat Abhiyan** our college has completed Phase 1 in which survey in two categories i.e. **Household Survey and Village Panchayat Survey** were conducted by framing a team of 5 students under one in-charge. The survey data was uploaded on the website of **UBA**.
- The analysis report of these 5 villages is available on the website.
- We have already organized various awareness campaigns on Environmental and Social Issues in these villages like **Plastic Ban Campaign, Distribution of Jute and Cloth bags, Awareness Lectures, Hamlet Meetings**.
- In the second phase of the scheme, the proposed plans have been prepared for each village according to the analysis report. The problems of each village were identified and different solutions to these problems were discussed.
- The college has been doing many activities to serve community and society and for rural upliftment.
- This is a step ahead to bring positive changes in these villages.
- This news was also well taken by local dailies of Ambala.
