

Yearly Status Report - 2017-2018

Part A				
Data of the Institution				
1. Name of the Institution	SANATAN DHARMA COLLEGE			
Name of the head of the Institution	Dr. Rajinder Singh			
Designation	Principal			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	01712630283			
Mobile no.	9466596782			
Registered Email	iqacsdcamb@gmail.com			
Alternate Email	principal.sdcol@gmail.com			
Address	Jagadhari Road, Ambala Cantt			
City/Town	Ambala Cantt			
State/UT	Haryana			
Pincode	133001			
2. Institutional Status				

Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Urban
Financial Status	Self financed and grant-in-aid
Name of the IQAC co-ordinator/Director	Dr Sushil Kansal
Phone no/Alternate Phone no.	01712630283
Mobile no.	9416260750
Registered Email	iqacsdcamb@gmail.com
Alternate Email	principal.sdcol@gmail.com
3. Website Address	

Web-link of the AQAR: (Previous Academic Year)	https://www.sdcollegeambala.org/agar/
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	<u>https://www.sdcollegeambala.org/academi</u> <u>c-calender/</u>

5. Accrediation Details

Cycle	Grade	CGPA	Year of	Vali	dity
			Accrediation	Period From	Period To
1	B++	80.90	2003	21-Mar-2003	20-Mar-2008
2	A	3.48	2011	16-Sep-2011	15-Sep-2016
3	A+	3.51	2017	30-Oct-2017	29-Oct-2022

6. Date of Establishment of IQAC

05-Mar-2001

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture

12. Significant contributions made by IQAC during the current year(maximum five bullets)

For the development and application of quality initiative for various academic activities of the institution IQAC arranged feedback from various stakeholders on curriculum enhancement and hence started 02.Certificate courses, 01 Diploma and 18 value added courses in the session 201718 to equip the students with employability and entrepreneurship skills.

Facilitating the creation of a learnercentric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process IQAC in consultation with various departments organized inter and intra institutional workshops on innovative practices(13), seminars (05), professional training programs (09) to promote quality circles for the students, teaching and non teaching faculty of the institution.

Library automation system had been upgraded by implementation of 'Open Sources Library Management Software: KOHA and for the convenience of readers 'WebOPAC' software was installed through college intranet. NLISTINFLIBNET service had been purchased for browsing of publications. Total 1600 books were added in the library and book bank facility costing nearly 5.5 lacks.

Solar power panels with a generating capacity of 10.8 KWP have been set up on the rooftop of the college. This is a tremendous step for the College towards the production of green energy and making the campus selfsufficient in power generation and reducing the carbon footprint.

* The value of green initiatives was highlighted by the IQAC and various initiatives : Installation of six Rain Water Harvesting, Vermi Compost project was undertaken, drives like Tree plantation, Say No to Plastic and Cleanliness Drives and carpooling were executed.

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
To introduce and run value added/Certificate/Diploma course	For the development and application of quality initiative for various academic activities of the institution IQAC arranged feedback from various stakeholders on curriculum enhancement and hence started three new Certificate and diploma courses and eighteen value added courses in the session 201718 to equip the students with employability

	skills.
Career Guidance to make students of all streams(Commerce, Science and Arts) aware of opportunities of Career and higher education after they complete graduation.	For the holistic development of the students total fifteen workshop twenty five guest lectures and training programmes were organized to make them aware about the career opportunities after graduation
Structured Feedback (both in online and hard copy mode) to be taken from all students at the end of each semester	Feedback Analysis was conducted and following actions were undertaken: New certificate and value added courses were started to imbibe life skills in the students. Extension lectures by academicians and industrialist were organized • For practical exposure industrial visits were arranged.
To motivate teachers to publish quality papers in ugc approved journals and proceedings, present papers in seminars/conferences, participate in workshops. symposium.	The faculty members were motivated by IQAC to publish quality research papers and total thirty six papers were published in International National Journals and fifty three papers were published in Proceedings. Participations in five hundred and thirty five workshops/seminars/conferences/ symposium.
College Library to upgrade softwares, increase number of reading resources and to extend the storage and reading space.	Library automation system had been upgraded by implementation of 'Open Sources Library Management Software: KOHA and for the convenience of readers 'WebOPAC' software was installed through college intranet. NLISTINFLIBNET service had been purchased for browsing of publications. Total 1600 books were added in the library and book bank facility costing nearly 5.5 lacs. • A major renovation work costing more than 15 lakhs of rupees was done.
Placement cell to invite companies, Banks, industries for the placement drives.	Vocational guidance placement cell worked rigorously in the development of soft skills in students and the final year students were updated time to time about market trends, job profiles and professional needs which resulted in 386 placements in reputed MNCs like Concentrix Pvt Ltd., ICICI Prudential Life Insurance, TCS etc.
All departments to conduct faculty development programs, workshops/seminars on latest trends in their respective fields and teaching methodologies for the teaching staff.	Facilitating the creation of a learner centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process. IQAC in consultation with various departments organized various inter and intra institutional workshops

		, seminars , FDPs on quality related themes and promotion of quality circles for the students, teaching and non teaching faculty of the institution
	College to obtain self reliance in energy generation by using renewable energy sources. Installation of Rain Water Harvesting system at different locations in college campus for accumalation and storage of rain water for resuse.	Solar power panels with a generating capacity of 10.8 KWP have been set up on the rooftop of the college. This is a tremendous step for the College towards the production of green energy and making the campus self sufficient in power generation and reducing the carbon footprint. • The value of green initiatives was highlighted by the IQAC and various initiatives : Installation of 6 Rain Water Harvesting, Vermi Compost project was undertaken, drives like Tree plantation, Say No to Plastic and Cleanliness Drives and carpooling were executed.

	4. Whether AQAR was placed before statutory ody ?	Yes
	Name of Statutory Body	Meeting Date
	Governing Body, Advisory Council	15-Dec-2018
		J
b	5. Whether NAAC/or any other accredited ody(s) visited IQAC or interacted with it to ssess the functioning ?	Yes
D	Pate of Visit	25-Sep-2017
	6. Whether institutional data submitted to ISHE:	Yes
Y	ear of Submission	2018
D	Pate of Submission	02-May-2018
	7. Does the Institution have Management nformation System ?	Yes
	yes, give a brief descripiton and a list of modules urrently operational (maximum 500 words)	The college has developed CIMS (College Information Management System), which is an ERP based software developed in consultation with the needs of the stakeholders. Through CIMS students can access their examination results, assignment scores, attendance details and other academic information directly on their computers or mobile phone.

Faculty members have the facility to upload details of their activities and duties during the session and then retrieve the same in the desired format. Notes uploaded on CIMS by the faculty can also be accessed by the students on their smart phones. All the results of the Class tests conducted and Assignments submitted are uploaded on the CIMS. University results and Internal Assessment of the students are also uploaded on the CIMS. This information is then analyzed both by the respective teachers and IQAC to evaluate the quality of teaching learning. Students are provided advanced study material through the CIMS portal. The institute maintains exhaustive data regarding the students' involvement in various social movements / activities which promote citizenship roles. The entire data is available on CIMS of the college. Staff and students can now post their grievances on CIMS for speedy redressal. The institution has developed a special link on the CIMS to capture complete details of the multiple activities of the faculty online. The Head of the Institution as the admin of the CIMS can generate and print online reports for better appraisal. Teachers can upload the following information on CIMS: • Participation and paper presentation in Seminars/conferences/symposia/workshops etc. • Research Papers published in journals • Publication in Proceedings / Books or other media • Details of activities organized as conveners of various associations/ clubs/etc. • Creative Publications • Contribution to cocurricular activities • Major Minor Research Projects (completed/ongoing/applied for) • Details of teachers acting as Faculty/Resource Person • Details of work done as invigilator/examiner/papersetter/Flying Squad • Convener or Member Awards/Recognitions received • Details of Faculty Members as members, editors etc. of Journals • Faculty members on University Bodies/Professional Bodies/Academic Associations etc.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Being an affiliated college, the institution follows the curriculum designed by the affiliating University i.e. KUK. The entire curriculum is available to the stake-holders on the University/College Website. Departments are asked to provide their workload prior to the beginning of the new academic session for preparing the ground time-table and allotment of theory/practical classes. An action plan is devised within the department wherein unitization of the syllabi is done according to the available number of teaching days in the semester. This is done in the departmental meetings held under the chairmanship of the HOD.This implementation/distribution is further discussed and conveyed to the Principal during Departmental Meetings. Curriculum distribution is done in consonance with the teacher's expertise area of specialization. The Action Plan formulated is then disseminated to the students through College Information Management System (CIMS) Feedback on curriculum by the students is taken into consideration which forms the survey and the basis of needs assessment for effective future planning of the curriculum. The institution takes effective curriculum delivery very seriously. For this purpose the following teaching methodologies are deployed: Conventional Teaching Methodologies All HODs are instructed to closely monitor the progress made by each teacher during the semester. It is ensured that the unitization drawn up at the beginning of the semester is scrupulously followed. The curriculum is regularly updated by the Common Syllabi Committee of which many regular staff members of our college are members. Special care is taken to address the needs of 'slow' and 'advanced' learners. Subject Associations & Clubs are active throughout the year and organize various activities e.g. IT Fest, Commerce Fest, Maths Exhibition, Literary Workshops etc. to enhance the subject knowledge of the students. Environment Awareness Club is active throughout the session to motivate the students and also adds to their existing knowledge which helps them in their compulsory Environment Subject. Posters & Charts are displayed in the labs. Working & Non-Working Models are prepared by the students which enhance their domain knowledge. Seminars/Project Work is given to the students to give practical training. Field/Industrial visits are organized to provide exposure to industry environment. New Books with latest editions are added to the library every year. Technology Based Teaching Methodologies Fully equipped Smart-Classrooms with Wi-Fi LCD Projection System (Hydraulic Hidden Mode Facility). Laboratories with latest gadgetry based on ICT including smart boards, projectors, laptops and all-in-one podiums. Fully Wi-Fi Campus with two dedicated leased lines of 20 Mbps & 2 Mbps. Teachers provide additional resources/notes to the students through CIMS. Laptops are provided to all the HODs for effective teaching environment. E-Journals are available in the library.Fully equipped Language Lab for improving the communication skills of students. Students are enrolled in Spoken Tutorials by IIT Bombay for additional practice of the subject and are assessed by IIT Bombay for the same. Students are also provided with E-tutorials, Videos, PPT's downloaded from NPTEL and other E-platforms and are stored in College server in Library for the access of students and staff.

Feedback Obtained

The College has a Feedback Committee that obtains feedback from all the stakeholders semester wise. The committee analyzes this feedback and submits its report to the Principal and IQAC. The Principal then interacts with the different committees and HODs. Thereafter he informs about the major issues emanating from this feedback to the top management. The institution has a structured mechanism for obtaining and analyzing student feedback on institutional performance. Student Feedback is a rich and valuable source of information for both formative and summative purposes. Hence, analysis and consequent improvement is a key component for enhancing the quality framework of the institution. To analyze the feedback of the students related to the potential of the college in all the spheres, the Feedback Analysis Committee conducts evaluation of over 10 students from different streams. The feedback pertaining to curriculum, obtained from the stakeholders is shared with those Faculty Members who are members of the University Common Syllabi Committee. This is how stakeholder feedback becomes instrumental in curriculum enrichment/modification as per stakeholders' needs. Although the college offers need-based enrichment programmes, the faculty takes care of enriching and supplementing those parts of the syllabi that have become obsolete with latest resources and knowledge. Feedback from the members of the society and the industry is sought during IQAC meetings, which helps in introducing changes to the existing curriculum. Informal feedback is obtained from the students by the teachers during their regular classes, which is conveyed to the Departmental Heads during the meetings of the Advisory Council. Lately the process has been made available through the College Information Management System. Also a provision of raising their grievances has been provided to the students through CIMS where they can upload and communicate their concerns related to college administration or staff directly to the Principal via e-mail. Formal feedback from outgoing students, earlier obtained manually, has now been converted to online mode. Informal interaction/feedback is obtained by the teachers in their classrooms. Curriculum for some of the courses like B. Voc, M. Com I.T. and addon courses has been developed by our faculty after conducting a need-based analysis and suggestions given by: External examiners/peers o Experts from Placement Cell Drives Members of Industry. Department of IT Electronics sent teachers' feedback to the Board of Studies of the University which in turn accepted and made changes in the curriculum accordingly. Discussions are also done with the industry experts and University professors during meetings, seminars and conferences. Such valuable inputs are shared with the members of the University Common Syllabi Committee. Student feedback is taken in the odd as well as even semester also at the time of convocation to review the admission process from the current academic session the entire process has been streamlined and an exhaustive feedback form is available online on the CIMS. This gives the advantage of viewing the results online and the faculty members can take corrective measures at their own level without the intervention of college authorities.

end examination

end/ year- end examination

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Evaluation process is standardized by the respective departments internally. The senior faculty assists and guides the younger faculty regarding the same.At times, wherever required, the University Paper-Setters also issue guidelines and 'keys' for evaluators, thus helping in making the evaluation process standardized.Following Reforms have been initiated on Continous Internal Evaluation System at the institutional level: • Faculty members apprise the students about the evaluation process in their classes. Evaluated assignments and class-tests are returned to them for a short period, during which, students' doubts regarding evaluation are taken up. Serious grievances connected with evaluation are taken up by the Examination Committee of the college. • The University adopted the Semester System of teaching in 2011 as recommended by the UGC. • For outstanding sportspersons, the University allowed special condoning of lectures. • Internal Assessment of 20 marks is taken very seriously by the institution. It ensures complete transparency in the entire internal evaluation system by scrupulously following the earlier processes/norms of the House Tests. For this purpose there is an Examination Committee which ensures that: o Submission of Assignments is time-bound. o Class Tests are conducted within a particular testing-window already mentioned in the college prospectus. Transparency in Evaluation o Students can get the answer books of their Semester End Examinations reevaluated by paying the prescribed fee to the University. o Students can have a photocopy of the assessed answer book after the declaration of the result by paying the prescribed fee to the University. o Credit System for evaluation has been adopted for B. Voc. Courses

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The basic Academic Calendar is provided by the University. It is displayed well in advance on the college website and printed in the college prospectus. The institution prepares Academic Calendar in coordination with IQAC, incorporating the latest topics and skills required by the students in the form of guest lectures, workshops, field visits seminars etc. after a thorough analysis of the feedback taken from the stakeholders from time to time. Thereafter, Teaching Schedules are planned by each department for odd and even semesters respectively in the departmental meetings. Ground Time-Table is prepared by a committee specially constituted for this purpose. Thereafter, the respective HODs prepare the Time Table of their department and disseminate the same. The entire syllabus is unitized as per the month-wise availability of teaching days and lesson plans are prepared and uploaded on CIMS. The college provides a datebound schedule for the submission of Assignments. Class Tests are conducted in a phased and planned manner keeping in view the class-size and number of subjects being studied by each student. Evaluation of Class-Tests and Assignments is time-bound. The results are uploaded on CIMS where they can be

freely accessed both by the students and the faculty.

2.6 – Student Performance and Learning Outcomes

2.6.1 - Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://www.sdcollegeambala.ac.in/academics-po_pso_co/

2.6.2 - Pass percentage of students

View File 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words) As per the policy of the State Government, the college does not have any Student Council or similar body. Students are inducted in various Subject Associations. As and when required they are also taken on in the administrative bodies and their suggestions are invited. For example, two students from the college were invited to participate and give suggestions during the District level meetings held in the college on National Education Policy. Besides, student representation is ensured through: 1. Student Editors in College Magazine 2. Office-Bearers of different Clubs/Societies/Associations 3. Student Representative in IQAC Feedback Committee 4. Students are given key administrative assignments for major functions organized by the college. 5. NCC/NSS leaders and commanders represent the institution at various levels. 6. The college has a Rotaract Wing in which more than 50 students are office bearers and members. 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

The Alumni Association is actively engaged in the development of the institution. As and when required the alumni association is involved in major planning and decision making policies of the institution. Stating two instances - Donations were received from the association up to Rs 7 lakhs during the construction of the College Auditorium. Also donations were received from the

association for the construction of the College Seminar Hall. The Alumni of the college also provide private scholarships to the students which is also a great boost to the institution. Some of the distinguished alumni of the college are invited as Chief Guests on important functions like Blood Donation Camps, NSS camps etc. Alumni placed at high positions are also invited as Guest speakers to interact with the students and also to motivate the students. Holding the Alumni Meet is an annual feature of the institution which helps in maintaining a connection of the alumni with their alma mater. This year the Alumni Association along with the institution felicitated the former Principals, former Teachers and non-teaching staff to mark the centennial celebrations of the college.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Decentralization of power and delegation of authority is the key to effective and smooth functioning of the institution. The college management the Principal ensure that power is delegated at each and every step of policymaking, planning, execution and evaluation. Each department of the college enjoys its own autonomy in terms of day-to-day working - both academic and nonacademic. Heads of the departments have full freedom regarding the following: • Time-Table • Unitization of Syllabus • Purchase • Association Activities All subject associations and other clubs/association incharges enjoy operational autonomy in the day to day working and organization of various events.When the institution organizes some event on a big scale, like Zonal or Inter-Zonal Youth Festival, authority is delegated to suitable faculty members who in turn form various committees who work under the guidance of sub-conveners. The college staff is given complete decision making powers in matters of strategic planning and execution. The college does promote a culture of participative management. This is reflected in the overall constitution and working of the institution. The institution is spearheaded by the S.D. College Society (Lahore) which in turn elects the S.D. College Management and thereafter the S.D. College Governing Body. This not only ensures channels of supervision and accountability but also helps in promoting a culture of decentralization of power. The Governing Body, which is the main decision and policy making body of the institution, is aptly represented by two members of the teaching faculty and one member of the non-teaching staff.As and when required, the officebearers and/or members of the management interact with the staff both formally and informally on issues of importance. To promote participation of the staff in policy making and decision taking, regular meetings of the staff-council are conducted wherein the faculty is given an opportunity to air their views. All major policy decisions and future action plans are discussed and finalized by the Advisory Committee, Planning Board and IQAC, all of which comprise senior faculty members. The IQAC of the college has members from the management, alumni, administrative office, student representative, industry, society and experts from chosen fields in order to ensure participative management.

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Being an affiliated college, the institution follows the curriculum designed by the affiliating University i.e. KUK.The entire curriculum is available to the stake-holders on the University/College Website. Departments are asked to provide their workload prior to the beginning of the new academic session for preparing the ground time-table and allotment of theory/practical classes.An action plan is devised within the department wherein unitization of the syllabi is done according to the available number of teaching days in the semester. This is done in the departmental meetings held under the chairmanship of the HOD. This implementation/distribution is further discussed and conveyed to the Principal during Departmental Meetings.Curriculum distribution is done in consonance with the teacher's expertise area of specialization. The Action Plan formulated is then disseminated to the students through College Information Management System (CIMS). Feedback on curriculum by the students is taken into consideration which forms the survey and the basis of needs assessment for effective future
Teaching and Learning	planning of the curriculum. This remains the key-focus area for quality improvement. The college endeavors to improve the quality of teaching learning through the following: • Latest Infrastructure. • An enhanced library experience for the students and the staff. • Focus on ICT. • Regular exposure of the faculty to FDPs/Seminars/Conferences. • Smart Classrooms. • Exposure to Soft Skills and PDP Programs. • AC Reading Room in the Library.
Research and Development	Research Development has become the priority area after Cycle-2 of the accreditation. The institute has made rapid strides in this field as is evident from the following: • Teachers are encouraged to go in for Major and

	Minor UGC Research Projects. • Newly
	appointed teachers are encouraged to participate in workshops related to Research Methodology. • The college publishes its own Research Journal regularly by the name of Purva
	<pre>Mimaansa. • The Institution facilitates the faculty members in getting their Research Papers published in journals of repute.The affiliating University gives financial incentive/subsidy for publication of Ph.D. Dissertation. • The college has set up the Sanatan Dharma Research Development Centre. • The College encourages faculty members to avail the UGC scheme of Faculty Improvement Program under which study</pre>
	<pre>leave is granted for a period of two years. •???Teachers are provided financial assistance for presenting research papers in seminars/conferences</pre>
Human Resource Management	Human Resource, both in the form of teaching faculty and non-teaching staff plays the most vital role in the institution. The institution takes care in selection and retention of its Human Resource through the following measures: • All recruitments are done in a transparent manner on All-India basis as per • UGC/Haryana Govt./KUK guidelines. • The college encourages its teachers to participate actively in FDPs, Seminars and Conferences. • The college pays the highest emoluments to its temporary teaching faculty in the region. • Training Programs are organized for the staff to enhance various skills. These include the following: o Communication Skills o Use of ICT as a Teaching-Learning Resource o Soft Skills o Use of CIMS
Industry Interaction / Collaboration	The college has an active Placement Cell which interacts with the Industry and the Corporate Sector by organizing: • Regular visits to the industry • Regular Placement Drives • Expert lectures from resource persons by the industry
6.2.2 – Implementation of e-governance in areas of operation	tions:

for their holostic growth needy/deserving students. During the time of admission, economically backward, meritorious, outstanding sportspersons, fatherless girls, outstanding artists of various cultural activities are required to fill a specially devised form. These forms are scrutinized by a specially constituted committee which identifies the needy students. Thereafter, the list of deserving candidates is displayed on the college notice boards and college website. These students are then interviewed by the Committee members who decide on the waiver percentage of the student. (b) Book Bank Facility Book Bank facility is a unique feature of the institute wherein meritorious and economically backward students are provided text books from the library. The students are required to fill in the forms and a Committee is authorized to sanction the facility to the deserving and needy students. Every year a large collection of textbooks is added to the existing book bank of the library. The Library Upgradation Committee ensures that the outdated, old-edition books and text books no longer prescribed by the university are weeded out and latest editions are added to the Book Bank for the benefit of the students. (c) Scholarships a number of scholarships and freeships are extended to

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The primary mission of the college is to uplift the society through education. Like a beacon, guiding the philosophy of nurturing a healthy human resource that is endowed materially, intellectually, morally and spiritually, the institution continues to spread the light of knowledge. For the development and application of quality initiative for various academic activities of the institution 15 Certificate and Diploma courses have been started in this session such as Tally, CAL, Electronics Instrumentation, Web Designing, Functional English and Cosmetology etc. and 18 Value added courses such as Entrepreneurship Development, Ethical Hacking, Typing and Shorthand etc. which will equip the students with intellectual, soft and employability skills. For the holistic development of the students total ... workshop ... guest lectures,

...training programmes focusing on emerging trends in technology, practical applicability of related subject and student progression were organized by reputed academicians, bureaucrats and industrialists which are the thrust area for providing practical experience of the university prescribed curriculum. Institution not only encourages students to participate but also provides financial support which encourages them to participate in curricular and cocurricular activities and reduces the drop-out rate. Total 829 students were benefitted with Scholarships and Fee Concessions of Rs 1405290/- For inculcating moral, human and spiritual values in students the institute focus on value added courses on waste management, vermicomposting, first aid training, yoga, meditation etc., extension and outreach activities as a result of which the students are continuously involved in blood donation, tree plantation and conducting surveys on socio economic, aids awareness, swachhta parameters in the adopted areas and villages. To make campus self-sufficient in power generation and reducing the carbon footprint solar power panels with a generating capacity of 10.8 KWP have been set up on the rooftop of the college. The value of green initiatives was highlighted by the IQAC and various initiatives like Installation of 6 Rain Water Harvesting Plant for accumulation and storage of rain water for resuse, Vermicompost project was undertaken, drives like Tree plantation, Say No to Plastic and Cleanliness Drives and carpooling were executed.

Provide the weblink of the institution
