## Competition Details

### ► **Speak visually: Infographic Designing Competition**

1. Design an infographic poster on environment awareness.. A sample is given above for your reference.
2. Do not copy and paste from the internet. Use your own imagination and creativity..
3. Submit the image as jpeg or pdf.
4. You can draw or use any App or Software to create the infographic

### ► **Biodiversity on your doorstep: A short report writing Competition**

1. Find out and click the photographs of species diversity of birds, plants, animals or insects living in your vicinity- gardens, parks, backyard, institutions, fields etc.
2. Identify the species. Consult your biology teachers or google search your pictures to identify the species.
3. Find out the details of the species- habitat, requirements and economic importance.
4. Compile your findings along with photographs in a short report and submit as single pdf.
5. There's no upper or lower limit for the number of species in your report. Be observant and do your best. The basic idea of the competition is to make you aware of the biodiversity around you.
6. Language: Hindi or English
