ABSTRACT

Performance of Indian Higher Education Institutions is evident from the results of QS World University Ranking where not even a single university of India is amongst top 100 Universities. To accomplish the vision of Government of India to enable India to develop trillion plus economy, national talent base of India needs to be enhanced. Academic & Administrative Audit is the most effective tool recommended by NAAC to review processes, practices, resources and procedures adopted at higher education institutions to train the youth of the nation. This paper not only presents the types of AAA and procedures to conduct them but also present the Internal Audit format and practices at Sanatan Dharma College, Ambala Cantt for quality enhancement and sustenance.

INTRODUCTION:

Higher education is the tool for local, national and global development. To accomplish the vision of Government of India to enable India to develop trillion plus economy, national talent base of India needs to be enhanced. Although Government of India is opening up large number of higher education institutions and taking huge number of measures to enhance the quality of education through various agencies viz. UGC, NAAC, NBA etc but still the higher education system has not been developed fully as per global standards. Performance of Indian Higher Education Institutions is evident from the results of QS World University Ranking where not even a single university of India is amongst top 100 Universities. Apart from the government initiatives , higher education institutions needs to take aggressive and innovative initiatives to enhance the quality of Education as quality enhancement and sustenance is amongst the foremost challenges being faced in India today.

Curriculum, Skill development, Infrastructure, Research, Support Services, Extra Curricular activities, Administration & Governance, Community development through extensions and outreach programs, Examination system, Student Grievance system, Teaching-Learning practices are few of the parameters defined by NAAC which needs regular review and up-gradation to develop a civilized, skilled and employable human resource at par with global standards.

Academic & Administrative Audit is the most effective tool recommended by NAAC to review processes, practices, resources and procedures adopted at higher education institutions to train the youth of the nation. Audit reports further becomes the basis for setting up the quality benchmarks for the institution to improve the performance. Although it is not mandatory to conduct AAA but it is recommended and considered to be one of the quality initiative by NAAC. This paper not only presents the types of AAA and procedures to conduct them but also present the Audit format and practices at Sanatan Dharma College, Ambala Cantt for quality enhancement and sustenance.

ACADEMIC & ADMINISTRATIVE AUDIT:

As defined by NAAC Academic audit is a tool for evaluating the competence of the teaching & learning , curriculum academic process within the institution that is scientific and methodical. It has to do with ensuring quality and raising the bar of HEIs' academic activity whereas an administrative audit is a method that assesses the efficacy and efficiency of the administrative processes. It comprises evaluation of the many administrative departments' policies, strategies, and operations as well as control over the entire administrative system.

OBJECTIVES OF AAA:

- 1. To comprehend the current system, evaluate the departments and administrative units' strengths and shortcomings, and provide ways to strengthen the strong points and weak ones.
- 2. To spot the gaps in the current administrative systems and to spot the chances for academic, administrative, and test improvements, among other things.
- 3. To assess how well financial and other resources are being used.
- 4. To make recommendations for ways of quality improvement that take into account NAAC and other organisations' standards and reports.

Academic & Administrative Audits can be conducted internally by the Internal

Quality Assurance Cell of the HEI and external audit can be conducted by a team constituted of the Principals from the adjoining colleges or experts from the University. Technically, there are not any particular eligibility requirements for selecting the external team for conducting the audit. But the important thing to remember is that the team members should be able to gain the respect of the college teachers due to their academic accomplishments, professionalism, and industrial experience.

INTERNAL AUDIT PRACTICES AT SANATAN DHARMA COLLEGE

Internal Quality Assurance Cell at Sanatan Dharma College conducts internal audit every year to evaluate the departments' and administrative units' strengths and shortcomings and to make suggestions for strengthening and overcoming the flaws. At SD College, AAA is an ongoing process that serves as the cornerstone for improvements in the areas of education, administration, and examination. Every three years, a committee made up of the principals of nearby institutions conducts an external audit and recommends the areas for improvements. For internal academic and administrative audits, the college has created its own structure, while for external audits it uses a self-study report format.

COMPOSITION OF INTERNAL ACADEMIC & ADMINISTRATIVE AUDIT TEAM

- 1. Chairman IQAC
- 2. Convenor IQAC
- 3. Two Members from the IQAC team
- 4. Office Superintendent
- 5. Two Senior Teachers from the College

Does Department conduct Remedial Coaching? Yes/No

If Yes specify class wise:

Sr.No	Class	Subject for remedial coaching	Teacher	Date From /To

Did Department run Bridge Courses? Yes/No

If yes specify class wise:

Sr.	Class	Subject	Teacher	Date From/To
No				

Did Department identify Advanced Learners and Slow Learners? If Yes Mention the activities organised for advanced and slow learners

Class	Activities for Advanced Learners	Activities for Slow Learner

Do the Students of department organize/participate in Cultural/Sports activities? Yes /No

If Yes Provide Details:

Class	Cultural Activities	Sport Activities

Students Awards

Name of	***************************************	Name of	Level(State/National
Student/Class		Award/Position	/International)

Student Participation in Extension/outreach Activities

Sr. No	Activity	No of Students participated	No of Beneficiaries from community

Any Syllabus/curriculum revisions in the courses offered by the department?

- 1.
- 2.

Did Department take feedback on curriculum and academic processes from all the stakeholders

- 1. Student
- 2. Alumni
- 3. Employer
- 4. Teacher
- 5. Parents

Any suggestion sent to university for curriculum updation?

Has Department communicated the Program and Course Learning Outcome to the Students?

Yes/No

Did the department receive any funding from agencies like DST, FIST, ICSSR, UGC (special schemes, other than projects and development assistance), etc. during the Audit Period?

If Yes, specify Details

Title	Amount Sanctioned	Duration	Funding Agency

Did Department organized any seminar/Conference sponsored by any funding agency.

Furnish the details of collaborations if any:

Partnering Institution	Purpose of Collaboration	Duration	Beneficiaries
Industry			
University			
College			
NGO			
Any Other			

Does Department has Departmental Library? If yes furnish details

Library	No of Books of courses offered by Department
Central Library	
Departmental Library	
Details of Books Issued to students during audit period	No of Books issued to the students of department
Central Library	
Departmental Library	

Did Department conduct Mentorship program for students? If yes furnish class wise details of Mentor-Mentee Meetings.

Programs organized for Non Teaching Staff

Describe the Best Practice of the Department.

Any other details department wish to furnish.
