Report :

Volunteers of Rotaract Club of Sanatan Dharma College organised a Tree Plantation Drive on August 10, 2019. The Event marked the 'Charter Day' of club. Students participated in this event with great enthusiasm. The main motto behind this event was to grow green hurdle all over and surprisingly it was successfully fulfilled.

The program aimed to plant as many saplings in the nearby areas. The objective of this event was to teach students, how we can save our climate from pollution.

By tree plantation, we can develop a climax ecosystem free of greenhouse gases to reduce global warming, to enhance awareness about the importance of tree plantations.

More such events should be organised in future in order to motivate people to make our country clean and green...

Targeted Audience:	Children of Govt. School
Session:	2019-2020
Date :	October 07, 2019
Venue:	Govt. Sr. Sec. School
Mode:	Offline
No. of Participants:	07
Objective:	To aware students about side effects of using plastic
Learning Outcome:	Students got useful insights on harmful effects of using plastic.

Report:

On October 07, 2019 workshop was organised in the school and made children well aware about the side effects of using plastic bags in daily life. The students were given ideas how they could re-use their old clothes and use newspaper to carry bags

“Plastic give a helpful hand, but they are polluting our land”

What it like to envision the ten thousand year environmental impact of tossing a plastic bottle into a trash bin, all in a single second it takes to actually toss it or the ten thousand year history of the fossil fuel being burned . It may be environmentally progress, but its not altogether pleasant.

Students were excited to learn new things. They were happy to learn this concept.
