प्रतिष्ठा में,

अध्यक्ष महोदय
हिन्दी-विभाग
कुरुक्षेत्र विश्वविद्यालय
कुरुक्षेत्र।

विषय :-सर्वेक्षण के आधार पर यू जी बी एस हेतु कुछ सुझाव।

श्रीमान जी,

यह पत्र हिन्दी-विभाग के शिक्षकों, छात्रों और पूर्व छात्रों की प्रतिक्रिया के संदर्भ में पाठ्यक्रम की समीक्षा और उत्थान के संबंध में है ये सुझाव हिन्दी-विभाग, सनातन धर्म कॉलेज, अंबाला छावनी द्वारा किए गए विश्लेषण के आधार पर तैयार किए गए हैं -

- भारत की महान संस्कृति के अनुरूप विद्यार्थियों के व्यक्तित्व का निर्माण करने के लिए पाठ्यक्रम में उचित प्रावधान होने चाहिए।
- आज के भौतिकतावादी युग में अंग्रेजीयत के बोझ तले दबे हिन्दी भाषी विद्यार्थियों के लिए अपनी भाषा में ज्ञान प्राप्त करने व नैतिक मूल्यों को ग्रहण करने की शिक्षा दी जानी चाहिए।
- वर्तमान युग आधुनिकता दौड़ में हिन्दी को उपेक्षा की दृष्टि से देखने के कारण हिन्दी के शुद्ध लेखन व शुद्ध - उच्चारण से दूर होता जा रहा है। रोमन लिपि के बढ़ते प्रचलन ने देवनागरी लिपि के लिए चुनौतियां पैदा की है जिनसे निपटने के उपाय आवश्यक है। आपसे निवेदन है कि उचित और संभव सुझावों पर विचार विमर्श कर क्रियान्वित करें।

Ref. No. SDC/2022-2023/6044

Dated 18/04/2022

The Chairman
Department of Electronic Science
Kurukshetra University Kurukshetra

Subject: Suggestions to be considered in UGBOS on the basis of Feedback analysis from Various Stakeholders

Respected Sir,

This letter is with reference to the feedback taken from the teachers, students and alumni of Department of Electronics & IT regarding the syllabus review and updation. These suggestions are made on the basis of the analysis done by the Department of Electronics & IT, Sanatan Dharma College, Ambala Cantt

The following are the recommendations as per the suggestions taken from various stakeholders of the Department:

1. The Choice Based Credit System (CBCS) is already implemented in the university campus. It is the urge of all the stakeholders to implement the CBCS in the colleges affiliated to the Kurukshetra University, Kurukshetra so that the students may avail the opportunity to choose courses from the prescribed courses comprising core, elective/minor or skill-based courses. It will also benefit the Department to enhance flexibility and impact of the B.Sc (Electronics) programme.
2. It is worth to notify that as the syllabus of B.Sc (Electronics) was revised in 2018-19 for B.Sc-Ist Year. In 2019-20, B.Sc-IIrd Year syllabus was also revised. But B.Sc-IIIrd Electronics syllabus is not yet revised. You are kindly requested to change the Electronics Syllabus for IIIrd Year students also and new technology based subjects must be added in the Syllabus.
3. In Paper-I, B.Sc-III, students still studying 8085 Microprocessor, This must be replaced by updated Microcontrollers so that students can survive in the professional career as per the requirements of the Industry.
4. It was also suggested by the students of B.Sc-IIIrd Year students that instead of C language in Paper-II Electronics, Latest Language must be included in syllabus. Relevant to the practical feasibility w.r.t subject

We hope you will consider these suggestions in the upcoming meeting of UGBoS and will take the necessary actions.

Thanks and Regards

(Dr Arti)
Head, Dept. of Electronics & IT
