	<u>The following agenda was transacted:-</u>	
	<p>1. The President Dr. Desh Bandhu welcomed all the members to this first General House Meeting of the Alumni Association and apprised the members about the necessity of the registration of the association. He told the members that in the year 2001 an alumni association with the name "Solara" was formed and it remained quite active till 2017. It had about 250 active members on roll. Now as per the conditions imposed by the National Assessment and Accreditation Council, Bangalore, which is the grading agency for the institutions the registration of the alumni association is must.</p> <p>It was on March 9, 2021 that the process of registration was initiated and the approval of the name "SDC Ambala Cantt Alumni Association" was granted from the O/o the District Registrar. Its Governing Body was constituted with seven founding members and it was resolved to open an account in HDFC Bank at Mahesh Nagar Branch, Ambala Cantt. In addition to fellowship amongst alumni, the sole aim of the association is to perform activities related to up/liftment of the students or do some community services which can further enhance the image of the institution which is 104 years old now and has its name and fame not only in the country but abroad also.</p>

	<p>3. Dr Vinay Malhotra the treasurer of the association presented the Balance Sheet for the year 2021-2022. He informed the house that as in the initial memorandum of association and by-laws approved by the registrar of societies there was provision for only seven founder members, 30 life members, 200 ordinary members and 04 honorary members. The Governing Body felt that since it's 104 year old college and its students are spread all over the world this number is too meagre. Hence after making the necessary amendments we applied for the change in the by-laws with seven founder members, 500 life members, 400 ordinary members & 04 honorary members which has duly been approved by the Registrar of the society. The association now can have 911 members including the founder members. He requested all presents to encourage friends/batch mates to join the association.</p>	
	<p>4. On this occasion the association honoured its alumnus Dr Anil Jain for his outstanding contribution in scientific research and entrepreneurship. He was also honoured by the Governor of Haryana recently for his this achievement in a function held at Kurukshetra University, Kurukshetra. The association also honoured Dr (Mrs.) Vijay Sharma Head, Dept of Hindi of the college who is also the Secretary of the association on attaining the rank of Major in NCC after completing the requisite training.</p>	
	<p>5. The members while introducing themselves recalled the old golden memories of their time in the institution and became quite emotional.</p> <p>The meeting ended with a vote of thank to the chair</p>
