

Theme of the workshop: The workshop on need of Intellectual Property Rights Awareness in Higher Education Institutions is well structured and covers various aspects of intellectual property rights (IPR) which are related with the protection of tangible and intangible property. It provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. This workshop also covers the various Schemes of Ministry of Medium and Small Scale enterprises (MSME) in establishing a start-up and Entrepreneurship.

Outcome of the workshop: The participants of the workshop will be able to understand about an overview of Intellectual Property Rights (IPRs). This workshop will aware students about different types of Intellectual property rights and also bring a positive transformation in the faculty member's attitude in their project and research works and get them more focused as well as result oriented, for further commercialization/technology transfer.

Topics to be covered:

1. Intellectual Property Rights
2. Entrepreneurship and Role of MSME
3. Trade Marks and Special Marks.
4. Patents and Copyrights.

Resource Persons:

1. **Dr. Sanjiv Chawla**, Regional Director, Ministry of Small and Medium Scale Enterprises (MSME) Karnal.
2. **Dr. Rahul Taneja** Scientist, Directorate of Science and Technology, Govt. of Haryana, Panchkula.
