## About Sanatan Dharma College

Sanatan Dharma College, established in 1916 and affiliated with Kurukshetra University, Kurukshetra, is a premier multi-faculty postgraduate co-educational institution located at Jagadhari Road, Ambala Cantt. The College was established in 1916 by Bharat Ratna Pt. Madan Mohan Malviya, the founder of Banaras Hindu University, Varanasi and the foundation stone of the relocated college at Ambala was laid by the first President of India, Dr. Rajender Prasad. The college is run by S.D. College Society, New Delhi. The college is renowned for its academic excellence, holding an 'A++' Grade with a CGPA of 3.72, accredited by NAAC in its fourth cycle. Additionally, the institution has been recognized as a College with Potential for Excellence by the University Grants Commission (UGC), New Delhi, and designated as a DDU Kaushal Kendra. The college envisions developing technology professionals with substantial industry exposure to meet contemporary challenges.

## Theme of the Seminar

The National Education Policy (NEP) 2020 marks a transformative shift in India's education system, aiming to create an inclusive, flexible, and skill-driven learning environment aligned with the needs of the 21st century. By promoting multidisciplinary education and removing barriers between science, arts, and commerce, NEP 2020 encourages creativity, innovation, and broader employability. Early integration of vocational training in areas like coding, carpentry, electronics, and AI bridges the gap between theory and practice while removing associated stigmas. The policy emphasizes the use of technology through initiatives like the National Educational Technology Forum (NETF) to expand digital access and enhance learning outcomes, particularly in underserved regions. Continuous teacher training and a performance-based ecosystem support excellence in education delivery. Furthermore, NEP 2020 is committed to equity, ensuring inclusive learning opportunities for girls, marginalized communities, and differently abled individuals. This seminar, themed "Transforming Education and Career through Implementation of NEP 2020," explores how the policy's innovative strategies are reshaping India's education and career landscape, fostering holistic growth, student-centric learning, and a vibrant knowledge society.

## Objectives of the Seminar

- To explore how NEP 2020 promotes employability through skill development and vocational education.
- To create awareness about the key provisions and transformative vision of NEP 2020.
- To highlight strategies for integrating multidisciplinary, value-based, and experiential learning approaches.
- To discuss pathways to align education systems with industry requirements and emerging job markets.
- To share best practices for teacher training and capacity building to adapt to NEP-aligned methodologies.
- To examine the role of institutions, funding mechanisms, and governance in implementing NEP 2020 effectively.
- To highlight the integration of technology and digital tools in education for equitable and inclusive learning.

## Sub themes of the Seminar

- Technology-driven career guidance under NEP
- Impact of NEP on career preparedness
- Role of teachers and mentors in career guidance
- Life skills education for career success
- Role of career counselling in NEP
- Building a sustainable career path through NEP
- Role of vocational education in career development
- Inclusion of regional and indigenous career opportunities
- Career pathways in the multidisciplinary educational system of NEP
- Entrepreneurship and career guidance
- Focus on lifelong learning and career reskilling
- Impact of career guidance on social and economic equity
- Career guidance in the context of Higher Education Institutions
- Psychological aspects of career guidance under NEP's holistic approach
- Industry-Academia collaboration for career readiness
- Mental health and career decision-making under NEP
- Empowering students: NEP implementation and placement pathways
